

David E. Johnson

Dave Johnson has over 30 years of growth management and operations experience from small to Fortune 500 businesses. He has extensive experience in Supply Chain, Operations, Distribution and Turnaround Management. As a consultant, he has worked for PricewaterhouseCoopers (PwC), Grant Thornton, and Operations Associates. David was the PwC Northeast Leader for Supply Chain and for PwC's Distribution Expense Reduction Program that he helped develop and launch. This program helped many clients improve their distribution operations and reduce inventory while also improving customer service.

Before becoming a consultant, David spent 18 years in industry as a VP of Manufacturing or VP of Operations in several companies including NYSE and high growth private companies. At Stride Rite he was architect of operational integration of 8 acquisitions including all staff functions from order entry to distribution as well as IT. He has extensive experience doing business in China, Korea, Taiwan, and the Caribbean. Companies include Stride Rite, Vermont Castings and FIOS Group. David has managed over 1400 employees, managed oversees operations, 13 plants, and over 1 million feet of distribution. He has experience with many Warehouse Management solutions such as Manhattan Assoc., EXE, Red Prairie, etc. and most major ERP packages.

David has a Bachelor of Science degree in Industrial Management with a minor in Math and Physics from the University of Massachusetts at Lowell and MBA in Finance and Economics from Suffolk University. David lives in Avon, CT.
